**REQUEST FOR REVIEW**

New Albany-Floyd County Consolidated School Corporation, pursuant to the procedures adopted in Section 54.721 of the Rules (47 C.F.R. section 54.721), hereby seeks review of the Decision, dated October 1, 2001, of the Universal Service Administrator denying the above-referenced application. In accordance with the requirements of the Rules, the following is submitted:

1. On December 7, 2000, this school corporation filed Form 470, Description of Services Requested and Certification Form, for a Primary Rate Interface. The Universal Service Administrative Company issued a Receipt Notification Letter to this school corporation with an allowable vendor selection date of January 16, 2001.
2. On or about January 12, 2001, a clerk mistakenly sent a quantity of Form 471, Block 6: Certifications and Signature, to the superintendent for his signature. The superintendent both signed and dated each form on January 12<sup>th</sup> which was in advance of the allowable selection date. The error on the referenced application was not discovered until we received our Funding Commitment Decision Letter stating that the application was Not Funded. The clerk's intent was only to expedite her workload, and there was no intent to violate the twenty-eight (28) day competitive posting period.

No. of Copies rec'd 0  
List ABOVE

3. The full twenty-eight (28) day posting period was scrupulously followed. The Form 471 for a Primary Rate Interface was completed on January 16, 2001 and mailed to the SLD by Certified Express mail.
4. On July 23, 2001, USAC issued a Funding Commitment Decision Letter denying this school corporation funding for this service.
5. On July 31, 2001, this school corporation filed a Letter of Appeal with the Universal Service Administrator providing the Administrator with the following information in support of our appeal:
  - Exhibit 1 – A corrected Block 6: Certification and Signature page.
  - Exhibit 2 – A memorandum from Ameritech dated January 23, 2001 stating that our request for the Primary Rate Interface had been processed.
  - Exhibit 3 – A copy of the Block 5: Discount Funding Request showing that the correct date of January 16, 2001 was inserted in lines 17 and 18.
  - Exhibit 4 – A photocopy of the Postal Service form 3811 showing that the SLD received our Form 471 on January 18, 2001.
6. On October 1, 2001, the Universal Service Administrator denied our appeal in full stating that our documentation does not verify that the twenty-eight day waiting period was not violated. (Exhibit 5).
7. The petitioner asserts that:
  - The incorrect date is both an unintentional and correctable error. The error should have been noted in the SLD's review process and opportunity given to correct the problem. Submission of a corrected Block 6: Certification and Signature page is an acceptable solution.
  - The four exhibits supplied to the Administrator constitute overwhelming proof that we did not violate the twenty-eight day posting period.
  - In the Letter of Appeal to the Administrator, the petitioner further certified to the SLD that the twenty-eight day posting period was not violated.
8. The Petitioner seek the following relief:
  - De novo review of the petitioner's application for funding, as specified in 47 C.F.R. section 54.723.

- Substitution of the corrected Block 6: Certifications and Signature to make the referenced application acceptable to the fund's Administrator.
- Reverse the Administrator's decision and direct that the referenced application be fully funded for the period beginning July 1, 2001.

Respectfully submitted,

NEW ALBANY-FLOYD COUNTY  
CONSOLIDATED SCHOOL CORPORATION

Re:   Billed Entity Number:       130549  
      471 Application Number:     264618  
      Funding Request Number(s): 671062  
      Your Correspondence Dated:  July 31, 2001

After thorough review and investigation of all relevant facts, the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company ("USAC") has made its decision in regard to your appeal of SLD's Year Four Funding Commitment Decision for the Application Number indicated above. This letter explains the basis of SLD's decision. The date of this letter begins the 30-day time period for appealing this decision to the Federal Communications Commission ("FCC"). If your letter of appeal included more than one Application Number, please note that for each application for which an appeal is submitted, a separate letter is sent.

Funding Request Number:   671062  
Decision on Appeal:       **Denied in full**  
Explanation:

- Your appeal claims that you did not violate the program's required 28-day waiting period. You admit that the Form 471 was signed early, but you claim this was an unintentional and correctable error. You have provided a memo from your vendor indicating that the installation of the service was not completed until January 23, 2001. You would like the SLD to reconsider their decision to funding for this application.
- Your Form 470 (Application Number: 386380000333322) was posted on December 9, 2000. In your Form 470 Receipt Notification Letter, SLD notified you that that the earliest date upon which you could sign and submit your Form 471 was January 16, 2001. Your Form 471 was signed on January 12, 2001. The documentation you submitted in support of your appeal does not verify that the required 28-day waiting

period was not violated. You have not claimed that this Form 471 relates to a different Form 470 other than the Form 470 indicated above. Consequently, SLD denies your appeal because your application did not comply with the competitive bidding requirement that your Form 470 be posted on the website for 28 days prior to your signing and/or submitting your Form 471.

- You signed your Form 471 prior to the expiration of the 28-day posting period. FCC rules require that except under limited circumstances, all Forms 470 received be posted on the website for 28 days, and that applicants carefully consider all bids received before selecting a vendor, entering into an agreement or signing a contract, and signing and submitting a Form 471. *See* 47 C.F.R. §§ 54.504, 54.511(a), (c). FCC rules further require that the Administrator send the applicant a confirmation when the Form 470 has been posted, and inform the applicant of the date after which the applicant may sign a contract with the vendor it selects. *See* 47 C.F.R. § 54.504(b)(4). These competitive bidding requirements help ensure that applicants receive the lowest pre-discount price from vendors. *See Federal-State Joint Board on Universal Service*, CC Docket No. 96-45, Order on Reconsideration, 12 FCC Rcd 10095, 10098 ¶ 9 (1997).

If you believe there is a basis for further examination of your application, you may file an appeal with the Federal Communications Commission, Office of the Secretary, 445 12<sup>th</sup> Street, SW, Room TW-A325, Washington, DC 20554. Please reference CC Docket Nos. 96-45 and 97-21 on the first page of your appeal. Before preparing and submitting your appeal, please be sure to review the FCC rules concerning the filing of an appeal of an Administrator's Decision, which are posted on the website at <[www.universalservice.org](http://www.universalservice.org)>. You must file your appeal with the FCC no later than 30 days from the date on this letter for your appeal to be filed in a timely fashion.

We thank you for your continued support, patience, and cooperation during the appeal process.
